Middletons

Piper Alderman

Firms are listed in groups in order of priority, and alphabetically within groups

The Legal 500 Series comments:

Niche employment firm Australian Business Lawyers is retained by the New South Wales Business Chamber to assist in liaising with employers and lobbying governments in relation to workplace legislation. Tim Capelin's 21-fee-earner team is regularly called upon to flex its litigation muscle, and recently represented one of the world's largest warehouse and storage companies in opposing an application to set aside the registration of the company's principal Enterprise Agreement.
