### *The Legal 500 Series comments:*

[Australian Business Lawyers](#) is an employment boutique that specialises in discrimination, industrial relations, OH&S, immigration, and all other areas of employment law. The practice gets rave reviews from its clients who say that 'no matter what time of the day, and even on weekends, if I or one of my team have a need to discuss an urgent issue, they make themselves available and provide the advice verbally or in writing, if needed, very promptly'. Tim Capelin and Paul Ronfeldt are singled out for particularly high praise. Jane Seymour and immigration specialist Katie Malyon are also highly recommended. High-profile clients include Coca-Cola Amatil, Boral, Starbucks and ABC.
